WORK EXPERIENCE

2020 - 2023

Search Engine Optimization Intern

Google @Hyderabad

Contributed to user-focused digital optimization by improving content discoverability through keyword research, SEO analysis, and on-page content enhancements. Supported content strategies that aligned search behavior with user needs and improved engagement across digital platforms.

2020 - 2023

Visual Design Intern

L&T Metro Rail, Hyderabad

Created visually engaging and brand-consistent assets across digital and print touchpoints, using typography, layout systems, and visual hierarchy to deliver intuitive and effective communication design.

2020 - 2023

Assistant Social Media & Graphic Designer

Auburn University at Montgomery

Designed audience-centered digital experiences and promotional creatives that enhanced engagement, communicated messages clearly, and strengthened overall brand identity across university platforms.
